

# Meet the New Video Kid on the Block... JP. PAC-MAN™

The wait is over! The newest member of the popular Pac-Family is moving in and bringing a lot of promise as his parents, in the tradition of Pac-Man™ and Ms. Pac-Man™, Jr. Pac-Man has all the tried-and-true qualities that have made his family famous... plus a few to call his very own!

## A CHIP OFF THE 'OL BLOCK....

Whether he masters his home in a single or street location setting, Jr. Pac-Man will even his family by dominating loyal Pac-Family fans anxious to get along with the latest addition. Available as a dedicated game or an update kit for Pac-Man and Ms. Pac-Man games, Jr. Pac-Man allows you to take full advantage of your investment.

## A GUY WITH A LOT GOING FOR HIM....

He easily excels the same challenges as his famous folks... but with on-screen special package of features, he represents a whole new video generation!

### Extra Style!

Jr. Pac-Man offers seven new scenes. With horizontal scrolling, they're better as well as better!

### Extra Character!

Jr. Pac-Man introduces "Fun-Team" with new, bitty great character—in three colorful cartoon intermissions designed to captivate players between games.

### Extra Power!

Jr. Pac-Man has seven heartless powers than his parent predecessors. Power pellets are worth 10 points each. Rock indicators (similar to floating fruit in Ms. Pac-Man) move through the maze and convert pellets to 60 points each if rock indicators get to energy dots before Jr. Pac-Man, they eliminate them.

Dedicated systems and update kits are available through your authorized Daily Inlay Distributor.

### Jr. Pac-Man update kit contains:

- Logic board
- Flipper glass
- Monitor overlay glass
- Control panel artwork overlay
- Front cabinet artwork overlay
